

Friends of the Royal Botanic Gardens Melbourne
Term 4 2024 Botanic Art Classes Outline
Monday 1.30pm - 4.00pm
Instructor's Name: David Reynolds

Class Description

Students learn in a relaxed and encouraging atmosphere with plenty of open discussion about watercolour techniques, colour theory, materials and how to use them. Practical demonstrations of each technique will be shown each week as we work through our subject. Student learn and practice techniques used to create accurate drawings and progress to a finished watercolour painting.

Many of the techniques used in botanical art, like 'wet on wet' and 'dry brushing', will be carefully explained and demonstrated giving each student confidence in developing their painting and drawing skills.

Outcomes

Our chosen subject will be a stunning Magnolia (*Magnolia x soulangeana*). The delicately marked pinky coloured flower and unique greyed branching structure makes for a wonderful subject to do in watercolour using traditional techniques.

Class structure

This class will be presented each week Face to Face at Domain House and in this class we will cover:

1. Colour mixing using transparent staining washes
2. Understand techniques in building high levels of detail
3. Using wet on wet and dry brush techniques
4. Careful application of masking fluid
5. Creating a painting in watercolour

Each week time will be set aside to review work, provide feedback, discuss progress, and answer any questions. The remainder of the class will be for putting into practice the theories and skills we cover and working on your artwork independently. It is a good idea to set aside time for yourself between classes to practice the skills and cover homework topics.

Dates for Classes: Monday 14th October - Monday 9th December 2024

(Note: No class Monday 4th November - Cup Eve)

Term Duration: 8 weeks (2.5 hours class each week)

Materials List: The materials you will require for your class are:

Brushes (*suggestions*)

Round Taklon watercolour brushes Sizes #5/0, #1, #4 (Neef 970 Robert Wade)

Paper

Arches 300gsm smooth hot press watercolour paper (A3 Size or 1/4 sheet)

Tracing paper

Pencils and Graphite
